- (b) The Subscriber understands that this Subscription, when and if accepted by the Co-Managers, will be irrevocable and will constitute a commitment to contribute to the Company the amount of the Subscription accepted by the Co-Managers (the "**Capital Commitment**"). The Subscriber shall be admitted as a Member at the time this Agreement is accepted and executed by the Co-Managers. The Subscriber acknowledges that this Agreement will become irrevocable with respect to the Subscriber at the time of its submission to the Company and that it may not be withdrawn by the

If the Subscriber engaged in one of the “disqualifying events” described above or as otherwise set forth in Rule 506 of Regulation D, it must inform the Co-Managers and provide information regarding the disqualifying event including the date of such event. If in the future, the Subscriber can no longer make this representation, it must promptly notify the Co-Managers and provide information regarding the disqualifying event including the date of any such event. Subscriber specifically consents to the disclosure of any such disqualifying event to any other Member and third parties as the Co-Managers may deem necessary to ensure the Company can continue to claim the Rule 506 safe harbor.

- (v) Subscriber acknowledges and agrees that, with respect to Subscriber’s decision to make an investment in the Company, neither the Company nor the Co-Managers has provided any advice to Subscriber, and the Subscriber has consulted to the extent deemed appropriate by the Subscriber with the Subscriber’s own advisers as to the suitability and appropriateness of the Company Interest for the Subscriber. Subscriber also acknowledges that it will not be relying on the Co-Managers or the Company with respect to maintaining its ownership of the Company Interest.
- (w) The Subscriber represents and warrants that the Subscriber has not altered or otherwise revised this Agreement in any manner from the version initially received by the Subscriber except for any alterations to this Subscription Agreement that have been clearly marked on or prior to the date of acceptance of this Subscription Agreement or otherwise have been specifically identified in writing and accepted by the Co-Managers on or prior to the date of acceptance of this Subscription Agreement.
- (x) The Subscriber understands the meaning and legal consequences of the representations and warranties made by the Subscriber herein, and that the Co-Managers and Company are relying on such representations and warranties in making their determination to accept or reject this Agreement.
- (y) The Subscriber acknowledges that the Subscriber has read and understands the North Capital Private Securities Corporation Offering Disclosure and Form CRS, attached hereto as **Attachment F**, and the Subscriber accepts the risks described therein.

4. Company Representations and Warranties.

The Co-Managers, on behalf of the Company, represent and warrant to the Subscriber that:

- (a) The Company is duly formed and validly existing in good standing as a limited liability company under the laws of the state of Delaware. The Company has all requisite power and authority to carry on its business as proposed to be conducted as described in the LLC Agreement. Each Co-Manager has been duly formed and is validity existing under the laws of its state of organization. The Co-Managers have all requisite company power and authority to act as Co-Managers of the Company and to carry out the terms of this Agreement and the terms of the LLC Agreement applicable to it.
- (b) The execution, delivery and performance of this Agreement have been authorized by all necessary action on behalf of the Company, and this Agreement is a legal, valid and binding agreement of the Company, enforceable against the Company in accordance with its terms. The execution, delivery and performance of the LLC Agreement by the Co-Managers have been authorized by all necessary action on behalf of the Co-Managers and the Company. The LLC Agreement and any Side Letters are legal, valid and binding obligations of the Co-Managers (and the Company, with respect to this Agreement), enforceable against the Co-Managers (and the Company, with respect to this Agreement) in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, arrangement, moratorium or other similar laws affecting creditors' rights, and subject to general equity principles and to limitations on availability of equitable relief, including specific performance.
- (c) Neither the Company nor anyone acting on its behalf has taken or will take any action that would subject the issuance and sale of the Company Interest to the registration requirements of the 1933 Act nor required to register as an "investment company" under the 1940 Act.
- (d) Based on the representations of Subscriber set forth in Section 3 herein and the comparable representations of the Other Investors in the Other Subscription Agreements, the Company is neither required to register the Company Interest (and any other limited liability company interests of the Company offered to Other Investors) under the 1933 Act.
- (e) No suit, action, claim, investigation or other proceeding is pending or, to the best of the Company's or the Co-Managers' knowledge, is threatened against the Company, the Co-Managers, or the Affiliates of either of them, which questions the validity of the LLC Agreement or this Agreement or any action taken or to be taken pursuant to the LLC Agreement or this Agreement.

5. Certificates.

The Subscriber understands and agrees that, unless otherwise determined by the Co-Managers in their discretion, the Company Interest will not be represented by a certificate or similar document subject to Article 8 of the Uniform Commercial Code. If the Co-Managers determine to have the Company Interest be represented by an instrument or certificate, such instrument or certificate may bear such legends as the Company may consider necessary or advisable to facilitate compliance with the 1933 Act or any state securities law, including, without limitation, legends stating that the Company Interest has not been registered under the 1933 Act or registered or qualified under any state securities law and setting forth the limitations on dispositions imposed thereby.

6. Indemnification.

To the extent permitted by law, the Subscriber hereby agrees to indemnify and defend the Company, the Co-Managers, the members of any Member Advisory Committee appointed by the Co-Managers, the members of the Investment Committee, and each of their respective Affiliates, partners, directors, officers, employees, agents and shareholders, and hold them harmless, from and against any and all claims, liabilities, damages, costs and expenses (including, without limitation, court costs and attorneys' fees) incurred on account of or arising out of:

- (a) Any breach of or inaccuracy in the Subscriber's representations, warranties or agreements herein, including, without limitation, the defense of any claim based on any allegation of fact inconsistent with any of said representations, warranties or agreements;
- (b) Any disposition of any part or all of the Company Interest contrary to any of said representations, warranties or agreements; and
- (c) Any action, suit or proceeding based on (i) a claim that any of said representations, warranties or agreements were inaccurate or misleading or otherwise cause for obtaining damages or redress under the 1933 Act or any other securities law, or (ii) any disposition of any part or all of the Company Interest.

7. Power of Attorney.

The Subscriber hereby irrevocably makes, constitutes and appoints the Co-Managers, with full power of substitution and resubstitution, as the true and lawful attorney-in-fact for the Subscriber and in the Subscriber's name (as the Co-Managers shall determine), place and stand and for the Subscriber's use and benefit to sign, execute, deliver, certify, acknowledge, swear to, file, record and publish:

- (a) The LLC Agreement in substantially the form furnished by the Co-Managers to the Subscriber and the Company's Certificate of Formation, and any amendments to either of such documents as provided in the LLC Agreement;
- (b) Any other certificates, instruments, agreements and documents necessary to qualify or continue the Company as a limited liability company or a partnership wherein Members have limited liability in the states or other jurisdictions where the Co-Managers deem necessary or advisable;
- (c) All conveyances, assignments, documents of transfer or other instruments and documents necessary to effect the assignment of a Company Interest or the dissolution and termination of the Company in accordance with the LLC Agreement; and
- (d) All filings and submissions pursuant to any applicable law, regulation, rule, order, decree or judgment that, in the opinion of the said attorney, may be necessary or advisable in connection with the business of the Company.

The power of attorney granted herein is coupled with an interest; shall be irrevocable; shall survive the death, disability or incapacity of the Subscriber; shall be deemed given by each and every assignee and successor of the Subscriber; and may be exercised by said attorney by listing, or attaching a list of, the name of the Subscriber along with the names of other persons for whom said attorney is acting and executing the LLC Agreement and such other certificates, instruments and documents with the signature or signatures of said attorney, or an officer of the Co-Managers on its behalf, acting as such attorney-in-fact for all of the persons whose names are so listed.

8. General Certification by Subscriber.

- (a) All information which the Subscriber has provided to the Company or the Co-Managers concerning the Subscriber and its status, financial position and knowledge and experience of financial, tax and business matters, or, in the case of a Subscriber that is an entity, the knowledge and experience of financial, tax and business matters of the person making the investment decision on behalf of such entity, is correct and complete, to the Subscriber's knowledge, as of the date set forth herein.
- (b) The Subscriber represents that all the information, financial or otherwise, which the Subscriber has furnished to the Company or the Co-Managers in connection with this subscription, or which is set forth herein, including all representations, warranties and agreements contained herein (the "**Subscriber Information**"), is correct and complete, to the Subscriber's knowledge, as of the date of this

- Agreement, and shall be correct and complete at the time such subscription is accepted by the Co-Managers. Subscriber covenants and agrees that if there should be any material change in any Subscriber Information that would cause the Subscriber Information to become untrue or misleading in a material way, the Subscriber will immediately notify the Company and the Co-Managers and furnish such revised or corrected information to the Co-Managers. The Subscriber also covenants and agrees to provide the Co-Managers with any additional information requested from time to time by the Co-Managers as deemed necessary to determine (i) the eligibility of the Subscriber to hold a Company Interest or participate in certain Company investments, (ii) the Company's or the Co-Managers' compliance with applicable regulatory (including tax) requirements or (iii) the Company's tax status. The Subscriber also agrees to provide the Company all information that otherwise may be reasonably requested by the Co-Managers (and their affiliates) and the Company and its funds and portfolio investments (and their affiliates).
- (c) The Subscriber agrees that the representations, warranties and agreements contained in this Agreement, and all other information regarding the Subscriber set forth herein, may be used as a defense in any actions relating to the Company or the offering of the Company Interest, and that it is only on the basis of such representations, warranties, agreements and other information that the Co-Managers may be willing to accept the Subscriber's subscription for the Company Interest.

9. Conflicts of Interest.

The attorneys, accountants and other experts who perform services for the Co-Managers may also perform services for the Company and other investment funds managed by an Affiliate of either or both of the Co-Managers. It is contemplated that any such dual representation, if commenced, will continue. The Co-Managers may, without the consent of any Member, execute on behalf of the Company any consent to the representation of the Company that counsel may request pursuant to the rules of professional conduct in the applicable jurisdiction. Fairway America, LLC has retained Stoel Rives LLP ("**Stoel Rives**") to advise it in connection with the formation of the Company and the offering of the Company Interests and may retain Stoel Rives as legal counsel in connection with the management and operation of the Company, including, without limitation, making, holding, and disposing of investments. Stoel Rives will not represent the Subscriber or any other Member in connection with the formation of the Company, the offering of the Company Interests, the management and operation of the Company or any dispute that may arise between any Member, on one hand, and the Co-Managers and/or the Company on the other hand. The Subscriber acknowledges and agrees that Stoel Rives is not providing any advice, opinion, representation, warranty or other assurance of any kind as to any matter to any Member.

All Subscribers acknowledge and agree that certain of them have previously been represented by, are presently represented by or in the future may be represented by Stoel Rives, and to the extent any conflicts of interest exist or arise from such relationship and Stoel Rives' representation of, or work performed for, Fairway America, LLC in connection with the formation of the Company and the transactions contemplated hereby, each Subscriber hereby waives any such conflict by executing this Agreement.

All investors acknowledge and agree that the Co-Managers and their Affiliates will be subject to various conflicts of interest in carrying out the Co-Managers' responsibilities to the Company. Affiliates of the Co-Managers may also be in competition with the Company or its investments. Other such funds may be formed in the future with objectives that are the same as or similar to the Company's objectives. Investment funds formed in the future by Affiliates of one or both of the Co-Managers will compete with the Company for investments and for the time and attention of the Co-Managers, members, officers and employees of the Co-Managers. Each Subscriber hereby waives any such conflicts of the Co-Managers and their Affiliates by executing this Agreement.

10. Survival.

The representations, warranties and agreements contained in this Agreement (including any attachments and supplements) shall survive the execution of this Agreement by the Subscriber and acceptance of this Agreement by the Company.

11. Consent to Receive Electronic Delivery of Reports and Other Communications.

Subject to Subscriber's consent below, at its discretion, the Company and the Co-Managers may provide to Subscriber (or an agent designated by Subscriber) (i) statements, reports and all other communications relating to (A) the Company and/or (B) Subscriber's investment in the Company, including capital account information about Company Interests, Commitment, Contribution and withdrawal activity, and annual and other updates of the Company's consumer privacy policies and procedures and (ii) all communications relating to the Co-Managers (including, if applicable, a Form ADV Part 1, privacy policy and any other communication required under the Advisers Act, or otherwise) (collectively, "**Company Information**") in electronic form, such as through a file attached to an email sent to the email address provided by the Subscriber, or over a private internet site, in lieu of sending such Company Information as hard copies via fax or mail. For the avoidance of doubt, the Subscriber's consent under this Section 11 does not extend to the electronic receipt of Schedule K-1 or other tax information (unless Subscriber separately and specifically consents to electronic receipt of such information by checking the appropriate box in Attachment D to this Agreement). If the Company Information is made available over the internet,

the Subscriber may be notified of its availability through an email sent to the email address provided by the Subscriber. Please note also that email messages are not secure and may contain computer viruses or other defects, may not be accurately replicated on other systems, or may be intercepted, deleted or interfered with without the knowledge of the sender or the intended recipient. The Company and the Co-Managers make no warranties in relation to these matters. Please note that the Company and the Co-Managers reserve the right to intercept, monitor and retain email messages to and from their systems as permitted by applicable law. If Subscriber has any doubts about the authenticity of an email purportedly sent by the Company or the Co-Managers, Subscriber would be required to contact the purported sender immediately. The Co-Managers' acceptance, on behalf of the Company, of the Subscriber's Subscription is not conditioned on the Subscriber giving consent to electronic delivery of Company Information. The Subscriber agrees that it will be solely responsible for notifying the Company in writing of any change in its email address and that the Company may not seek to verify or confirm the Subscriber's email address as provided. If the Subscriber does not have access to the internet or email, the Subscriber should not consent to electronic delivery of Company Information. The Subscriber may revoke its consent to electronic delivery of Company Information at any time upon written notice to the Company and receive all Company Information in paper format. The Subscriber may also request delivery of a paper copy of any Company Information by contacting the Company.

[Subscriber must check the appropriate box below]:

- The Subscriber agrees to receive Company Information in electronic form, at the Co-Managers' discretion, in lieu of a separate mailing of paper copies until such time as it no longer has the right to receive Company Information or it revokes its consent in writing.
- The Subscriber declines to receive Company Information in electronic form in lieu of a separate mailing of paper copies.

12. Successors and Assigns.

The representations, warranties and agreements contained in this Agreement shall be binding on the respective successors, assigns, heirs and legal representatives of the Subscriber, and shall inure to the benefit of the respective successors and assigns of the Company and the Co-Managers.

13. No Third-Party Beneficiaries; Counterparts.

This Agreement is not intended to confer upon any person, other than the parties hereto, any rights or remedies. This Agreement may be executed online or in separate counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or

any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

14. No Waiver.

No failure by any party hereto to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement, or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition hereof.

15. Governing Law.

This Agreement and the rights and obligations of the parties hereto shall be interpreted and enforced in accordance with and governed by the laws of Delaware applicable to agreements made and to be performed wholly within that jurisdiction, except to the extent superseded by federal law.

16. Number and Gender.

Whenever the context requires, the use of the singular number shall be deemed to include the plural and vice versa, each gender shall be deemed to include each other gender, and "person" shall be deemed to include a corporation, partnership, trust or other legal entity.

This Agreement, with the LLC Agreement and the provisions of any Side Letter or similar agreement entered into between Co-Managers or the Company and the Subscriber, and all of the exhibits and appendices attached hereto and thereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and thereof, and may be amended only by a writing executed by the Subscriber and the Co-Managers.

18. Severability.

If any provision of this Agreement or the application thereof to any person or in any circumstances shall be held to be invalid, unlawful or unenforceable to any extent, the remainder of this Agreement, and the application of such provision other than to the persons or in the circumstances deemed invalid, unenforceable or unlawful, shall not be affected thereby, and each remaining provision hereof shall continue to be valid and may be enforced to the fullest extent permitted by law.

The purpose of the attached Accredited Investor Representation Letter (the "Letter") is to collect information from you to determine whether you are an Accredited Investor and otherwise meet the suitability criteria established by the Company for investing in the Interests.

As part of verifying your status as an Accredited Investor, you must either access the online portal maintained by the Company's third-party fund administrator to make certain statements and provide certain supporting information regarding your qualifications as an Accredited Investor or complete, sign, and return the Accredited Investor Representation Letter provided below electronically in PDF form to ir@fairwayamerica.com or by mail or overnight service to Fairway Vivo GP Fund LLC, c/o Fairway America Management Group IV LLC, 16150 SW Upper Boones Ferry Road, Portland, OR 97224.

You understand that the Company, the Co-Managers, and counsel engaged on behalf of the Company will rely on your representations and other statements and documents included in the Investor Information in determining your status as an Accredited Investor, your suitability for investing in the Interests, and whether to accept your subscription for the Interests.

The Company reserves the right, in its sole discretion, to verify your status as an Accredited Investor using any other methods that it may deem acceptable from time to time. ACCREDITED INVESTOR REPRESENTATION LETTER

Fairway Vivo GP Fund LLC
c/o Fairway America Management Group IV LLC
16150 SW Upper Boones Ferry Road
Portland, OR 97224

Dear Fairway America Management Group IV LLC:

I am submitting this Accredited Investor Representation Letter (the "Letter") in connection with the offering of limited liability company interests (the "Interests") in Fairway Vivo GP Fund LLC (the "Company"). I understand that the Interests are being sold only to accredited investors ("Accredited Investors") as defined in Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, as amended (the "Securities Act").

I hereby represent and warrant to the Company that I qualify as an Accredited Investor on the basis that:

(You must choose Part A OR B below AND check the applicable boxes.)

A. I am a NATURAL PERSON and:

(An investor using this Part A must check box (1), (2), OR (3).)

(1) Income Test: My individual income exceeded \$200,000 in each of the two most recent years or my joint income together with my spouse (or spousal equivalent) exceeded \$300,000 in each of those years;

and

I reasonably expect to earn individual income of at least \$200,000 this year or joint income with my spouse (or spousal equivalent) of at least \$300,000 this year.

To support the representation in A(1) above:

(You must check box (a), (b) OR (c).)

(a) I will deliver to the Company copies of Form W-2, Form 1099, Schedule K-1 of Form 1065 or a filed Form 1040 for each of the two most recent years showing my income or my joint income with my spouse (or spousal equivalent) as reported to the IRS for each of those years. I understand that I may redact such documents to avoid disclosing personally identifiable information, such as Social Security numbers, that is not necessary to confirm annual income.

OR

(b) My salary or my joint salary with my spouse (or spousal equivalent) is publicly available information that has been reported in a document made available by the U.S. government or any state or political subdivision thereof (for example, reported in a filing with the Securities and Exchange Commission) and I will deliver to the Company copies of such publicly available

materials identifying me or me and my spouse (or spousal equivalent) by name and disclosing the relevant salary information for each of the two most recent years.

OR

- (c) In accordance with the procedures described below under the heading "Independent Third-Party Verification," I will assist in arranging for a registered broker-dealer, SEC-registered investment adviser, licensed attorney, certified public accountant, or a nationally-recognized Accredited Investor verification service approved by the Company to deliver to the Company written confirmation of my status as an Accredited Investor based on my individual income or my joint income together with my spouse (or spousal equivalent).

- (2) Net Worth Test: My individual net worth, or my joint net worth together with my spouse (or spousal equivalent), exceeds \$1,000,000.

For these purposes, "net worth" means the excess of:

my total assets at fair market value (including all personal and real property, but excluding the estimated fair market value of my primary residence)

minus

my total liabilities.

For these purposes, "liabilities":

exclude any mortgage or other debt secured by my primary residence in an amount of up to the estimated fair market value of that residence; but

include any mortgage or other debt secured by my primary residence in an amount in excess of the estimated fair market value of that residence.

I confirm that my total individual liabilities, or my total joint liabilities together with my spouse (or spousal equivalent), do not exceed \$_____. I represent that all liabilities necessary to determine my individual net worth, or my joint net worth together with my spouse (or spousal equivalent), for the purpose of determining my status as an Accredited Investor are reflected in the dollar amount in the preceding sentence.

In addition, I confirm that I have not incurred any incremental mortgage or other debt secured by my primary residence in the 60 days preceding the date of the Letter, and I will not incur any incremental mortgage or other debt secured by my primary residence prior to the date of the closing for the sale of the Interests. I agree to promptly notify the Company if, between the date of the Letter and the date of the closing for the sale of the Interests, I incur any incremental mortgage or other

debt secured by my primary residence. (NOTE: If the representation in the first sentence of this paragraph is untrue or becomes untrue prior to the date of the closing for the sale of the Interests, you may still be able to invest in the Interests. However, you must first contact the Company for additional instructions on how to calculate your net worth for purposes of this offering.)

To support the representations in A(2) above:

(You must check box (a) OR (b).)

(a) I will deliver to the Company:

(i) Copies of bank statements, brokerage statements, other statements of securities holdings, certificates of deposit, tax assessments, and/or appraisal reports issued by independent third parties that show my individual assets or my joint assets together with my spouse (or spousal equivalent);

and

(ii) A copy of a consumer credit report for me (or copies of consumer credit reports for me and my spouse (or spousal equivalent)) issued by TransUnion, EquiFax or Experian.

I understand that each document described in paragraphs (i) and (ii) above must be dated no earlier than three months prior to the date of the closing for the sale of the Interests. I understand that I may redact any of these documents to avoid disclosing personally identifiable information, such as Social Security numbers, that is not necessary to confirm net worth.

OR

(b) In accordance with the procedures described below under the heading "Independent Third-Party Verification," I will assist in arranging for a registered broker-dealer, SEC-registered investment adviser, licensed attorney, certified public accountant, or a nationally-recognized Accredited Investor verification service approved by the Company to deliver to the Company written confirmation of my status as an Accredited Investor based on my individual net worth or my joint net worth together with my spouse (or spousal equivalent).

NCPS recommends that you seek advice from and consult with a registered investment advisor, attorney, accountant, or other licensed professionals who have the expertise to help you understand and assess the risks associated with the Securities.

NCPS HAS NOT INDEPENDENTLY VERIFIED ANY MATERIALS ASSOCIATED WITH THE OFFERING. The Offering Materials have been prepared solely by the Issuer, and any materials prepared by NCPS were created in reliance on the Offering Materials and reviewed and approved by the Issuer. All statements, representations, and other information contained therein are the sole responsibility of the Issuer and are believed by NCPS to be materially correct and free of material omissions.

DISCLAIMER OF VALUATION. NCPS does not independently verify any valuation of the Securities, including, without limitation, any methodology or information in support thereof, and any such valuation does not constitute an opinion from NCPS such as on the Issuer’s current or future business performance or otherwise. The Securities are not publicly traded and no market exists (and may never exist) for the Securities; there is no actual market price for the Securities.

NCPS AND PROSPECTIVE INVESTORS HAVE MATERIAL CONFLICTS OF INTEREST. NCPS is an agent of the Issuer and it receives transaction fees based on the volume of Securities sold by it and its associated persons in the Offering.

REGISTERED PERSONNEL CONFLICTS. Certain personnel affiliated with the Issuer or an affiliate of the Issuer (the “Issuer Personnel”) may also be registered representatives of NCPS. Such Issuer Personnel are typically not involved in any securities-related business other than offerings of the Issuer or its affiliates. The registered status of such personnel creates inherent conflicts of interest because they may gain financially from your investment, directly through commission payments or indirectly by receiving compensation from the Issuer or an affiliate of the issuer.

INVESTMENT IN THE SECURITIES IS HIGH-RISK. All exempt offerings, including the Offering, are considered to be high-risk due to their limited liquidity and required disclosures compared to public, registered, listed offerings. The Issuer has a limited operating history, and as such, any projections, forecasts, and/or extrapolations are hypothetical and subject to change. Any investment in Securities issued by the Issuer is, by definition, speculative and high-risk. Prospective investors should understand that they may lose their entire investment. Prospective investors should carefully review the Offering Materials for a complete discussion of risk factors.

THE SECURITIES BEING OFFERED ARE ILLIQUID, RESTRICTED SECURITIES. The Securities are illiquid and are subject to federal and state restrictions on resale. Prospective investors should not assume they will ever be able to resell or transfer their Securities.

SUBMITTING A COMPLAINT. Should any investor have a complaint about NCPS, its partners, or the Offering, complaints can be filed using the complaint form located at the bottom of the page in the footer menu of NCPS’s website at <https://www.northcapital.com>.

DATA COLLECTION

NCPS and its designated agents and representatives will collect and retain information, records and data in connection with your investment in the Offering, and will share such information with its partners as appropriate, required or advisable to facilitate the transactions contemplated by the Offering and to comply with applicable legal and regulatory obligations. Visit NCPS’s website at <https://www.northcapital.com> for NCPS’s privacy policy, which is incorporated into this Offering Disclosure by reference.

Form CRS - Relationship Summary
North Capital Private Securities Corporation - 11/12/2020

Introduction

North Capital Private Securities Corporation (NCPS) is a broker-dealer registered with the U.S. Securities and Exchange Commission. NCPS is a member of [FINRA](#) and [SIPC](#). Brokerage and investment advisory services differ, and that it is important for you to understand these differences. We are not an investment advisor and do not provide investment advisory services, portfolio management, or advice or recommendations about your overall investment portfolio or the types of account(s) you should have. Our brokerage business is narrowly focused on the sale of securities issued by the companies that we represent and secondary transactions in private securities. We are an issuer's agent, which means that unless we have a written agreement with you to the contrary, we are not your agent and we do not give advice or make recommendations about specific securities, types of securities or investment strategies involving securities. To the extent that a solicitation or call to action is deemed to be a recommendation under U.S. law or regulation, you should be aware that we are inherently conflicted with your interests and you should seek advice from an investment advisor or a broker who will act as your agent. Free and simple tools are available to research firms and financial professionals at <https://www.investor.gov/CRS>, which also provides educational materials about broker-dealers, investment advisers, and investing.

What Investment Services and Advice Can You Provide Me?

Description of Services: We offer *agency brokerage services* to retail investors, including executing transactions in private placements and other exempt offerings under Reg A+, Reg D, and Reg S, for issuers we represent. We do not offer investment advice or recommendations. Limitations to these offerings include: they are illiquid, speculative, and high risk; they may not be suitable for you; the required minimum investment may be high; most offerings are only be available to accredited investors; fees and expenses are higher than other investments. Other risks are described more fully in our Disclosure Overview and in the offering materials for each investment. A particular risk to our business model is that we do not offer a diversified menu of private investments; we narrowly focus on offering securities of issuers for which we serve as managing dealer or placement agent, and the scope of our product offering is therefore limited compared to a broker that is offering you recommendations or advice.

We operate an *Alternative Trading System (ATS)*, the [PPEX ATS](#), that offers investors the ability to buy and sell private and other exempt securities on a secondary market. Limitations of the ATS include: we select the securities for listing on the ATS; securities you own or wish to buy may not be eligible for the ATS; buyers and sellers determine whether there is liquidity in a particular issue and its market price (if any); you might not be qualified to transact on the ATS; you must transact through a broker-dealer which can be NCPS or another broker-dealer. Refer to the PPEX User Agreement for a full discussion of ATS procedures, fees, and expenses.

We *custody* cash and certain assets for investors. Limitations on custody include: we do not give buy, sell, or hold recommendations on custodied assets and we do not monitor the performance of custodial accounts or any investments; we do not require a minimum account balance, but some of the investment products held by us might require minimum holding amounts; we do not custody public securities except for mutual funds and certain non-traded public issues; we charge fixed transaction fees and/or flat account fees and/or asset-based fees that could be significant as a percentage of the account balance. Refer to our account agreement for a full discussion of fees and expenses.

Conversation Starters: *Given my financial situation, should I choose a brokerage service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

What Fees Will I Pay?

Description of Principal Fees and Costs: You pay us fees, directly or indirectly through the issuer or its sponsor that has retained us, through which you make your investment. These fees vary depending on the issuer, type of security, number and size of transactions, account balance, and nature of services. Review the Fees and Expenses section of our Disclosure Overview and the offering materials for each offering for a full discussion of fees and costs. Since we are compensated by issuers when we serve as their agent, we have a conflict of interest in that we have an incentive to sell you securities from which we stand to profit most. When we receive fees based on the number or size of transactions, we have an incentive to encourage you to trade more often or in larger amounts. You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Contact us for more information if you have questions about fees or expenses related to a product or service.

Conversation Starters: *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs*

What Are Your Legal Obligations to me when providing recommendations? How else does your firm make money, and what conflicts of interest do you have?

Standard of Conduct: We do not provide advice or recommendations about securities, investment strategies, or investment accounts. If you seek such advice, you should establish a relationship with an investment advisor or broker to serve as your agent. If a solicitation or call to action were deemed to be a recommendation under U.S. law or regulations, then we would be subject to Regulation BI and we would be required to act in your best interest and not put our interest ahead of yours. The way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they could affect your investment results. Here are some examples to help you understand what this means:

- We are an issuer's agent and receive third-party payments for selling their securities; we have a salesman's stake and are not your agent.
- We receive compensation based on the number and size of transactions; this creates an incentive for us to transact with you more often and in greater size, whether or not the transactions are in your best interest.
- Certain securities pay brokers higher fees than others; this creates an incentive for us to sell you securities on which we receive higher fees.

Conversation Starters: *Ask your financial professional: How might your conflicts of interest affect me, and how will you address them?*

Additional Information: You can find more information about our conflicts of interest and how we mitigate them in our Disclosure Overview and in the offering documents for each offering.

How Do Your Financial Professionals Make Money?

Description of Compensation of Registered Representatives: NCPS has both salaried personnel and independent contractors. Salaried personnel receive a salary and discretionary bonus based upon their individual performance and firm performance, and some institutional sales personnel receive commissions. All salaried personnel are eligible to receive equity in our parent company. No salaried personnel receive commissions from the sales of securities. Independent contractors are paid salaries and may receive bonuses from their principal employer, which is not an affiliate of NCPS. Some contract registered representatives also receive commissions for sales of securities issued, sponsored, or posted on a funding platform operated by the principal employer. Contract registered representatives, like employees of NCPS, are prohibited from giving advice or making recommendations with respect to specific securities or investment strategies. All contract registered representatives of NCPS are agency brokers, not advisors. Compensation is tied directly or derives from sales by us, which exacerbates the conflict of interest previously described.

Do You or Your Financial Professionals Have Legal or Disciplinary History?

Yes. While the firm does not have a legal or disciplinary history, certain registered representatives have a legal or disciplinary history to report. You can look up more information about us and our registered representatives at <https://www.investor.gov/CRS>.

Conversation Starters: *As a financial professional, do you have any disciplinary history? For what type of conduct?*
